Responsibly crafted for a world interconnected with nature, these botanicals are organically grown on Wildsmith's own farms. Experience the luxury of radical botany.

Wildsmith Time 120 minutes \$545

Your therapeutic sequence is tailored with assisted stretching, foot-zone reflex therapy, abdominal massage, and craniosacral holds to help release blocked pathways and restore ease. You'll leave feeling grounded, reconnected, and balanced.

Circadian Massage 60 minutes \$295 / 90 minutes \$395

Aligned to the time of day, this specialized full-body, light to medium pressure massage, pairs targeted techniques with aromatic oil blends to support your natural circadian rhythm. Radical Botany Facial 60 minutes \$295 / 90 minutes \$395

The Skin Renewal 90 minutes \$395

This renewing full-body exfoliation is paired with a restorative or purifying body mask to smooth, soften, and revive the skin.
