

EL ENCANTO

WINE LIST

Santa Barbara is home to some of California's most compelling wine country. Fog kissed vineyards in the Sta. Rita Hills, sun warmed slopes of Santa Ynez and Santa Maria valleys, and a rugged coastline stretching toward San Luis Obispo. These are landscapes where cool maritime air and ancient soils push growers to farm with intention and winemakers to step back and listen. From that foundation, we look outward across the wine world, to ancient hillsides and sun-drenched valleys, chalk and limestone and volcanic stone, cellars that have been passed down through generations and young producers rewriting what their regions can be. Every wine on this list was chosen because it speaks clearly of where it comes from, contrasts the character of our region, and finds a natural place at the table alongside our cuisine.
